

## **COVID-19 Response at the NAC**

We at the NAC want to keep you and your family happy and healthy. We have been working hard to find ways for you to be able to train with us while remaining socially distant. Please read the statements below that describe in detail what we at NAC are doing to keep you and your child/ren safe.

- Sanitize all frequently touched surfaces: doors, handles, tables
- Sanitize all sports equipment
- Overhead doors will be open while people are present in the building (weather permitting)
- Social distancing will be practiced
- Hand sanitizer, gloves, and masks will be available
- There will be at least 30 minutes in between lessons so that we can thoroughly sanitize frequently touched surfaces
- Everyone will be using their own equipment
- Temperatures will be taken and logged on a contact tracing sheet

By signing this waiver, I understand that the Naperville Athletic Center is not liable nor responsible for any unforeseen illnesses or circumstances, such as COVID-19, that may present itself in the future.
